Team Testimonials Outstanding Program Security Scan Fast, easy to use and absolutely free! Roy Dunbar I am using it with my students and i love it. Its quick to use and easy to understand. Professor Billy Biery Wonderful product. Matthew Smith I have been using it with my students in my TASL course. They like it a lot. Arlene Lagermeyer I would like to thank John for the InftyReader 4 tutorial. I do not always get around to teaching this semester. However, before final exams, I have been using this OCR software with my students on the move. Julie Hagen John I am using it with my students and i love it. Its quick to use and easy to understand. Roy Dunbar Outstanding Program Security Scan Fast, easy to use and absolutely free! Roy Dunbar I am using it with my students and i love it. Its quick to use and easy to understand. Roy Dunbar Outstanding Program Security Scan Fast, easy to use and absolutely free! Roy Dunbar I am using it with my students and i love it. Its quick to use and easy to understand. Roy Dunbar Outstanding Program Security Scan Fast, easy to use and absolutely free! Roy Dunbar I have used it with my students at the start of a semester with their collages. They really enjoy the way the images turn into text and then into LaTeX. Mary Montgomery I have been using it with my students in my TASL course. They like it a lot. Arlene Lagermeyer I have been using it with my students in my TASL course. They like it a lot. Arlene Lagermeyer I would like to thank John for the InftyReader 4 tutorial. I do not always get around to teaching this semester. However, before final exams, I have been using this OCR software with my students on the move. Julie Hagen You have a great product! Hillary Mathias
